I hereby instruct Holvi Payment Services Oy - Zweigniederlassung Deutschland ("Holvi") to transfer the above amount plus accrued interest and applicable costs from my account to the creditor's beneficiary account for the purpose of disbursement of the currently existing garnishment.

I have been informed by Holvi that the processing time of the creditor's release cannot be influenced by Holvi and therefore varies.

We would like to point out that Holvi does not accept "Ruhendstellungen". In the case of partial payment, the account can only be released if the creditor arranges for the garnishment to be lifted.
