### A note on card billing of all types

Fees for receiving and using a Holvi Business Mastercard® are billed on a monthly basis (per billing cycle) and are not affected by a mid-billing cycle change in subscription. Any change will come into effect in the next billing cycle.

### A note on maximum card amounts

Please note that Holvi may set a limit to the number of cards issued to a single user for any reason.

### Cash withdrawals at ATMs

Please note that some ATM providers charge add-on fees for the use of their ATMs, and some merchants add a surcharge for accepting certain card types. By using the Holvi Business Mastercard®, you accept responsibility for any additional fees and surcharges. It's your obligation to review and agree to these before completing a Holvi card transaction.

### Using Holvi cards abroad

Your Holvi Business Mastercard® supports payments in multiple currencies. When the payment is in a non-EUR denominated currency, Holvi charges a percentage of the transaction amount on top of the Mastercard® wholesale rate, based on the [calculation made by Mastercard®](#) as the issuing Card Network. Foreign exchange fees may be charged at the time of purchase. For reference, please see the Euro foreign exchange rates, issued by the [European Central Bank](#).

Some actions require us to carry out manual work – for example, cancelling payments, notifying you of an executed or refused payment transaction, tracking non-executed or incorrectly executed payment transactions or returning funds paid due to incorrect unique identifiers.

These actions cost us extra. As such, they're subject to additional fees.

<sup>\*3</sup> This fee is charged by either our Partner or us, if tax related documents or other documents required for the provision of our accounting service are submitted with delay by the Customer.

### When your Holvi account isn't active

We charge an inactivity fee if your account is unused for prolonged time-periods - meaning you don't make any SEPA payments or card transactions within a period of 30 calendar days. If you're a new customer, we might waive this fee as part of a promotion. But please

note: if you switch to a different plan during the promotional period, the waiver will no longer apply.
