A note on card billing of all types

Fees for receiving and using a Holvi Business Mastercard® are billed on a monthly basis (per billing cycle) and are not affected by a mid-billing cycle change in subscription. Any change will come into effect in the next billing cycle.

A note on maximum card amounts

Please note that Holvi may set a limit to the number of cards issued to a single user specifically for any reason.

Cash withdrawals at ATMs

Please note that some ATM providers charge add-on fees for the use of their ATMs, and some merchants add a surcharge for accepting certain card types. By using the Holvi Business Mastercard®, you accept responsibility for any additional fees and surcharges. It's your obligation to review and agree to these before completing a Holvi card transaction.

Using Holvi cards abroad

Your Holvi Business Mastercard® supports payments in multiple currencies. When the payment is in a non-EUR denominated currency, Holvi charges a percentage of the transaction amount on top of the Mastercard® wholesale rate, based on the [calculation made by Mastercard®](#) as the issuing Card Network. Foreign exchange fees may be charged at the time of purchase. For reference, please see the Euro foreign exchange rates, issued by the [European Central Bank](#).
