3. Granting credit

- 3.1.** Upon Customer initiating the application for a Credit Line, Holvi collects and processes the data, including personal data, required for the granting and monitoring of the Holvi Business Credit Service. Holvi will obtain and use data from the Customers themselves, from registries kept by the authorities and Holvi, from Credit Information Registers and from other reliable sources, which are then used for the credit decision.
- 3.2.** The credit decision may be based on an automated decision-making process using third-party software. However, the decision-making process remains fully under Holvi's control. We also review applications manually as needed. More information on automated decision-making can be found in our [Privacy Notice](#).
- 3.3.** Holvi is not obliged to give reasons for decisions made on the basis of the credit application.
- 3.4.** After a positive credit decision, Holvi may grant the Customer a Credit Line.
- 3.5.** The Customer will be informed of the Credit Line granted and has to accept the offer within fourteen (14) days. After this period has expired, the Customer has to submit a new credit application in order to obtain a Credit Line.
- 3.6.** The Credit Line may be changed upon the Customer's request. Holvi can reject the request. Changes may be subject to a new credit decision and fees.

3.7. The terms and conditions of the Credit Line are further specified in a separate respective Credit Product Agreement.

4. Use of the credit

4.1. The Customer is entitled to use the credit within the Credit Line defined in the Credit Product Agreement.

4.2. The Credit Line is limited to the purpose of executing and enabling Payment Transactions through the Credit Payment Account in the form of (as available) direct debits, including one-off direct debits, using a Credit Card or a similar device and/or the execution of credit transfers, including standing orders.

5. Card terms

5.1. Information about the issuance and use of the Holvi Business Credit Card and the associated duties and liabilities of the Cardholder are laid down in the Terms and Conditions for the Holvi Business Mastercard.

6. Business loan

6.1. Following a positive credit decision the Customer may apply for a business loan, provided that the product is available at the time and location of the Customer.

6.2. If a business loan product is available, the Customer can apply for such through the Holvi product.

7. Payment modalities

7.1. The Customer explicitly agrees and acknowledges to be billed and receive invoices in an electronic form and that Holvi will not issue any paper invoices. The Fees will be billed per electronic invoice disclosing the issuer, the receiver and a breakdown of the charges for the service.

7.2. Holvi may automatically debit payments from the Customer's Payment Account in line with the agreed repayment schedule. This automatic payment setting applies only to the agreed minimum monthly repayment amount. If the Customer wishes to repay the full outstanding balance within the same month they used their Credit Line, they must do so manually by making a transfer

before the end of that calendar month.

- 7.3.** If a payment is not successfully settled due to expiration, insufficient funds, or otherwise, Holvi may charge - where available - the Fees from Customer's alternative payment method. If neither this payment is successfully settled nor there is no alternative payment method available, Holvi may charge fees and interest for the delayed payment as well take any necessary legal actions and/or use debt collection companies to recover any outstanding debt and fees.

8. Repayment schedule

- 8.1.** The repayment schedule is based on a minimum amount that must be paid back to Holvi in monthly instalments and is specified in the Product Agreement. The minimum repayment amount is calculated based on the instalments due, the interest due and any fees that may apply.
- 8.2.** The Customer has to select their preferred repayment schedule when applying for the credit. Holvi will review the Customer's request and may submit an offer with a repayment schedule that is suitable for the Customer. The Customer can then accept or decline this offer.
- 8.3.** The Customer can request to change the repayment schedule or Credit Line amount for the following Instalment Loans. Holvi will process the request to change the repayment schedule within ten (10) Banking Days upon receiving it. Holvi has the right to reject the request. Holvi may limit the amount of changes of the repayment schedule.
- 8.4.** Any changes to the repayment schedule must be agreed with Holvi.
- 8.5.** The Customer is entitled to use the credit within the Credit Line defined in the Credit Framework Agreement, other applicable Credit Product Agreement and/or Service Description, provided that the repayment amount is settled on the due date at the latest. The due date is the last day of the month. If the due date does not fall on a Banking Day, the payment date is the next Banking Day.
- 8.6.** If the Customer does not pay at least the minimum repayment amount by the due date at the latest, Holvi has the right to suspend the Holvi Business Credit Services and block the Customer's Credit Card. The use of the Credit Line or the provision of a new Credit Line is at Holvi's discretion and is only possible once

the outstanding amount has been repaid or the Credit Payment Account has been fully balanced.

9. Early repayment

- 9.1.** The Customer is entitled to pay monthly instalments in excess of those specified in the Product Agreement, or the entire credit, without incurring any additional fees for early repayment. Such early repayments must be made manually by the Customer via a transfer.
- 9.2.** The amount exceeding the monthly instalment amortises the Customer's debt capital. The allocation of an early repayment to individual Instalment Loan is determined by Holvi as set out in the Service Description.
- 9.3.** The next monthly instalments will be paid according to the agreed repayment schedule.
- 9.4.** If the Customer repays the credit prematurely in full or in part, the credit costs for the unused credit period will be deducted from the remaining debt.
- 9.5.** When the invoice is issued, the interest for the first month of the repayment schedule for each Instalment Loan is charged at the time of invoicing. In the event of a full early repayment, the interest for the invoiced instalment will not be refunded.

10. Overdrawing the Credit Balance and arranged Overdraft

10.1. Unarranged Overdraft

- 10.1.1.** The Customer is entitled to use the credit within the Credit Line agreed with Holvi, provided that monthly instalments and other payments due have been paid.
- 10.1.2.** The Credit Line agreed on may not be exceeded. If, however, the available Credit Balance is overdrawn, the entire overdrawn amount will be debited in connection with the next monthly instalment in addition to the normal monthly instalment, and Holvi may charge an administrative fee for processing the overdrawn amount, in accordance with the applicable Fee Schedules.

10.2. Arranged Overdraft

- 10.2.1. The Customer may have a negative balance (overdraft) on the Holvi Credit Payment Account, provided the Customer has received a positive credit decision and signed a separate Overdraft Agreement, if such a service is available to the Customer on the respective market.
- 10.2.2. The Customer is obliged to repay the overdraft, including interest, to Holvi under the terms and conditions laid down in the Overdraft Agreement and these Terms.

11. Interest rates and Fees

11.1. Interest rates:

- 11.1.1. The interest rate for the Credit Line granted to the Customer will be set in the respective Credit Framework Agreement.
- 11.1.2. If the last published average monthly market interest rate (e.g. Euribor) increases materially, Holvi shall be entitled to increase the contractual interest rate at its reasonable discretion by a maximum of the change in that respective average monthly market interest rate. Accordingly, Holvi shall reduce the contractual interest rate at its reasonable discretion if the average monthly market interest rate has decreased.
- 11.1.3. In the event that the respective interest rate increases or decreases as set forth in paragraph 11.1.2. of these Terms, Holvi shall exercise its discretion in the same way and in accordance with the development of interest rates in the money and capital market for respective Credit Products of comparable kind and volume.
- 11.1.4. Holvi will immediately notify the Customer of any changes in the interest rate for the Credit Line. In the event of an increase or decrease of the interest rate the Customer is entitled to terminate the Credit Product Agreement within one (1) month after having received such notification regarding the respective change of interest rates. Such notice shall be made in writing (whereas, electronic communication, such as via email would be deemed as sufficient). If the Customer would exercise such termination right, then the Credit Line shall be repayable within two (2) weeks following the receipt of the termination notice. If Holvi has increased the interest rate, then it shall charge the former rate until such a

Credit Line has been repaid by the Customer. These provisions as set forth in this Clause shall be without prejudice to other termination rights of the Customer.

11.2. Fees

- 11.2.1. The use of the Credit Line is subject to Fees. This Fee is part of the minimum repayment amount and will be charged from the Credit Payment Account. The amount of this Fee, as well as the Fees for using the Holvi Business Credit Service are listed in the Fee Schedule.
- 11.2.2. If the Customer fails to make repayment or pay the Fees subject to these Terms and the Product Agreement in whole or in part, Holvi has the right to charge interest and/or Fees for late payment.
- 11.2.3. Holvi has the right to, when the repayment is delayed for forty-five (45) days, terminate the Credit Line or individual Instalment Loan(s) and demand immediate repayment of the full Credit Line and/or individual Instalment Loan(s) and report any neglect of the payment obligations subject to the Terms to the Credit Information Registers.
- 11.2.4. The collection of the credit generates costs for which the Customer is liable. The Customer is also subject to a payment reminder fee if the Customer has not made the repayment by the set due date. These Fees and other charges are listed in the Fee Schedule.

12. Term and Termination

- 12.1. These Terms are valid until further notice.
- 12.2. The Customer may terminate these Terms at any time by notifying Holvi in writing and paying the outstanding debt and Fees. For the sake of clarity, Holvi will not refund any monthly charges for the month the Terms are terminated.
- 12.3. These Terms and the related Holvi Business Credit Service shall also terminate, when the Holvi Services according to Section 21 of the Terms of Service are terminated.
- 12.4. The termination of these Terms includes the termination of all the Credit Product Agreements.

- 12.5.** The Credit Payment Account will be closed as soon as all outstanding debts have been settled. However, if any additional withdrawals, fees or charges have been incurred on the account, the Fees will be invoiced and the account will remain active until there are no outstanding payment obligations to Holvi.
- 12.6.** Holvi has the right to suspend the Holvi Business Credit Services at any time with immediate effect (and until the cause has been remedied or the Terms terminated) without any prior notice to the Customer if:
- a) any of the information that the Customer has provided during application or account opening process was incorrect; or
 - b) in Holvi's discretion, it is necessary for security reasons; or
 - c) there is a suspicion of or to prevent suspected unauthorised or fraudulent use of the Credit Card, the account or any security credential related to any Holvi Business Credit Services; or
 - d) required by any legal obligations or requirement; or
 - e) there is reason to believe that the Customer is in material breach of the Terms, any supplementary terms, Acceptable Use Policy or any applicable law; or
 - f) there is reason to believe that the Customer has used, or intends to use any Holvi Business Credit Services in a grossly negligent manner or for fraudulent or other unlawful purposes; or
 - g) there is reason for a reassessment of the Customer's credit risk; or
 - h) the Customer becomes insolvent or files for debt restructuring, corporate restructuring or bankruptcy.
- 12.7.** Holvi has the right to terminate the Holvi Business Credit Services for convenience and without giving any reason at any time by giving two (2) months' written notice to the Customer. After notice has been given the outstanding credit will be paid back in full in accordance with the credit terms.
- 12.8.** Unless prohibited under applicable mandatory law, Holvi has the right to terminate the Holvi Business Credit Services, and demand repayment of all the Instalment Loans (including all fees and interests), with immediate effect and without court intervention in the event that:
- a) the Customer is in material breach of these Terms, any supplementary terms, Acceptable Use Policy or any applicable law;

- b) the Customer has given misleading information that may have contributed to the granting of the credit or affected its terms and conditions;
- c) the Customer's financial situation or the value of the security provided for the credit deteriorates or threatens to deteriorate significantly, thereby jeopardising the repayment of the credit, even if the security is realised, and the Customer is thus outside the risk appetite determined by Holvi;
- d) the Customer has a receiver, examiner, liquidator, assignee, trustee or other similar officer appointed in respect of it or is declared bankrupt, under reorganisation, a scheme or suspension of payment, or commissions any other act of insolvency or any event analogous to the aforesaid occurs in any jurisdiction which the Customer is incorporated or established or resident, unless the bankruptcy estate upon Holvi's request confirms that it will commit to these Terms and all other supplementary terms;
- e) if enforcement proceedings are initiated against the Customer;
- f) the Customer fails to pay any service fees in accordance with these Terms or the Credit Product Agreement and the payment delay has lasted 45 days from the due date; or
- g) there is, in Holvi's reasonable discretion, heightened volume of expected chargebacks, bad scoring or missing or negative information as part of the compliance assessment of the Customer, or Holvi has reason to believe that the Customer has used, or intends to use the Credit Payment Account in a grossly negligent manner or for fraudulent or other unlawful purposes.

12.9. In the event of suspension or termination Holvi will inform the Customer in advance otherwise immediately afterwards (to the extent that Holvi is permitted by law).

13. Transfer rights for Holvi

13.1. Holvi is entitled to transfer these Terms, any Instalment Loan and/or any Credit Product Agreement with parts of or all rights and obligations, including the right of subrogation, to a third party designated by Holvi without consulting the Customer.

13.2. Holvi is entitled to transfer the administration and financing of the Holvi Business Credit Service as well as to transfer claims and other rights and duties, in full or in part to a third party designated by Holvi without consulting the Customer.
